

# AI Software and Website Development Contract

This Agreement ("Agreement") is entered into as of the **29th of March 2018**, ("Effective Date"),  
by and between

**Invideo AI Tec. Pty. Ltd.** ("Client")

San Francisco, CA, United States of America

and

**Alexander Dejesus** ("Developer")  
TX, United States of America

## 1. Scope of Work

Developer agrees to develop an AI Software and accompanying website ("Software") that provides online video services between individuals and groups of people, capable of translating speech in the following languages for **Stage 1**:

German  
English  
Italian  
Mandarin  
Japanese  
Nepalese  
Arabic

For **Stage 2**, the Software will support 75 languages, and include a subscription-based payment portal.

The attached diagram sheets **DS1** to **DS3** ("Additional Information") serve as the conceptual functionality and look of the scope of work that has to be produced by the Developer

## 2. Non-Disclosure Agreement

Developer agrees not to disclose any confidential information related to the contracted work to third parties.

## 3. Exclusivity Clause

Developer agrees not to use the source code or create similar source code to develop, for themselves or for third parties, an AI software that provides translation services for an unlimited period of time.

## 4. Maintenance Clause

Developer agrees to help maintain the website and monitor the AI after the handover of the website and source code, until the AI works smoothly, without additional fees.
